

## About the Organization

The **Integrated Hill Areas Upliftment Society (IHAUS)** is a non-governmental organization committed to the holistic economic and social development of the communities in Noney District, Manipur. Since its establishment, IHAUS has been working tirelessly to promote welfare, empowerment, and sustainable development in the hill areas.

## Vision Statement

To build a just, inclusive, and self-reliant society in the hill areas of Manipur where every individual enjoys equal opportunities for growth, development, and well-being.

## Mission Statement

To empower marginalized communities through sustainable livelihood promotion, quality education, improved healthcare, environmental conservation, and capacity building, with a focus on participatory and inclusive development.

## Key Areas of Focus

1. **Rural Livelihood and Skill Development**
  - Promotion of traditional and modern livelihood practices
  - Entrepreneurship and vocational training programs
2. **Education and Child Development**
